

Purple Pickled Eggs & Beets

Hard boil 1 dozen eggs. Shell and set aside in deep pot or heat-proof container.

Boil:

3/4 c. vinegar

3/4 c. sugar

2 cans beet juice (reserve the beets and get the sliced kind)

1/2 t. salt

2 cinnamon sticks

Pour boiling liquid on top of shelled eggs. Add beets. Once cooled, let sit in fridge. Occasionally stir or shake to make sure all eggs get submerged. The longer it sits, the better the eggs and beets.
